The MC is a spineless coward with little to no self confidence, no no logical thinking whatsoever, even the thought of pulling the most experienced Ingenieur out of his section just because oneself does not want to command the ship is quite simple stupid. To ask other readers questions about Admiral Who? Sorry guys but there is at least one father out there crazy enough to actually go saddle his kid with such a name and as a result there really is a living breathing Luke Sky Wachter!

Goodspaceopera, but needs more editing. Loyalties in the Spinewill be tested. Henning rated it really liked it Jun 11, MBS: What made you decide to start writing?

As you can probably guess from that little factoid, I'm a huge Sci-fi buff, have 06, Justin Kean rated it liked it. Ship-wide mechanical failure. When the man handed him the keys and took off, no one expected Prince-Cadet Jason Montagne to act like a real admiral, least of all .
