Because I have always believed in the power of the local library, I want my members

A Touching, Gotchi Bildungsroman "Mal: An Odyssey of Non-sequential Segments of a Life is an incredibly dynamic novel, a post-modern study of identity and self— part Barth, part McCullers, but deeply original in its own right. The novel, tracking the growth and development of a boy called Mal, explores the mental exceptionalism and physical impairments of the protagonist with sensitivity, dark humor, philosophical insight, and dramatic immediacy.

He was reared in a deeply religious society that imposed a strict regime, with
