Any plausible conceptualization of basic autonomy must, among other things, imply that most adults who are not suffering from debilitating pathologies or are under oppressive and constricting conditions count as autonomous. In this unit, we investigate some notoriously difficult and divisive moral dilemmas involving justice, rights, and the value of human life. Richardson, Henry

Finally, the picture of the human person presented by Bentham is based on a psychology that is descriptive of the human person. Christian ethics Descriptive ethics Ethics in religion Evolutionary ethics Feminist ethics History of ethics Ideology Islamic ethics Jewish ethics Moral psychology Normative ethics Philosophy of law Political philosophy Population ethics Social philosophy. For many, liberalism rests on The Principles of Moral and Political Philosophy value of individual autonomy, but this reliance either assumes that respect for autonomy is merely one value among others in the liberal view, or autonomy has overriding value. On this view, legitimacy and justice cannot be established in advance through philosophical construction and argument, as was thought to be the case in natural law traditions in which classical social contract theory flourished and which is inherited in different form in contemporary perfectionist liberal views.

As a human artifact constructed over time, it nevertheless resembled nature. Sina.
