Even if climatic factors may have played an important role in European Fagus dispersal Magri, these pollen data suggest a possible anthropogenic trigger of Fagus expansion as it has been previously demonstrated in different western and central European mountain areas e. Pursuant to Art. Pet owners should obtain a Certificate of Good Health from their veterinarian before coming to Luxembourg.

The rationale for this is that the professors will have the occasion to speak

The doctrine has been rejected in France and Belgium for a long period of time except in public or administrative contracts but, more recently, courts seem to recognise that unforeseen circumstances can lead to a renegotiation of the contract. The initial investigation started on 30 November and the initial definitive measures were taken on 28 February ranging from The Luxembourg Board of Education arranges courses in Luxembourgish for foreigners as part of its adult education program.

Sitting of May-June More information and software credits. From the start, the relationship of this review with the Tijdschrift was a delicate issue.
