They will face the world together with fellow survivors and, in interaction with them, build new patterns of living in the absence of the deceased. Perte Psychologie Attitude to Death. VideoOpentoHopeCanadianHospice.I would recommend this book to therapists, clergy, and others in the helping professions, but I thought that the writing style was a little wooden and people currently experiencing grief might have a hard time getting through it. It is the scene of his young sister's death years earlier, but the focus falls not on the deceased but rather the survivors.
