While they travel with their parents they generally become separated from them in the wilderness and need to depend upon their own resources. Future books in this series include adventures in the Great Bear Rainforest, Egypt, and the Serengeti. Customers who bought this item also bought. They are real twins who have traveled to the places but their adventures are real. I also liked the fact that I learned quite a bit about a place that I had very little knowledge of. Seller Inventory P I enjoyed reading your review. Laugh on a minute and hold your breath. In the tradition of the historic journals kept by explorers such as Lewis and Clark, Dr. And more exciting, terrifying adventure!
