The kitchen is top of the line with granite counter tops, all stainless steel appliances, a wine cooler, and raised dishwasher. Nobody desires anything resembling a boom in land here, but the eager inquiry on the part of outside purchasers who know how to figure appears to indicate a great reduction in the grain-raising acreage another year in Southern Oregon. Purchases of the needed properties were made through the company Hines Interests[14] [15] which in at least some cases did not disclose the fact that Apple was the ultimate buyer; [15] Philip Mahoney, a partner with a local commercial real estate brokerage, noted that this is common practice in attempts to arrange the purchase of contiguous land made up of multiple parcels with separate owners, in order to keep costs from skyrocketing and not reveal the company's plans to competitors.
