Signed copy! Heart of the Hero gives a compelling insight into the relationships that became the foundation of some of our best-loved stories of adventure, from to the present day. Enjoyeditvery. Fascinating material. Because we kept jumping back and forth between stories, poles and time periods, I ended up spending the beginning of each chapter trying to re-orient myself as to whose story I was reading and what the time period. Rupert added it Aug 31, Freedeliveryworldwide. Herbert is Founder and Managing Director of Polar myself, so many thoughts and interests have been provoked by this one book.
