This is an informative biography sure to please any baseball fan. Jan 01, Jim rated it really liked it Shelves: net-galley With the Nazis Baseball in the s was more than a national pastime; it was a cultural touchstone that galvanized communities and gave a struggling country its heroes despite the woes of the Depression.

Indeed, the book begins with a rendition of Greenberg Plenty of excitement on the field, but to his credit, with a middle-class upbringing he was a rather private and bland fellow in the personality excitement department. Other Editions 3. Salaries and negotiations with players are frequently covered as the yearly negotiations Greenberg had with the Tigers always seemed to show his petulant side, yet there was always an agreement reached.
