Thank you very much ahead to see you. I think it's a little more geared to someone teaching overseas to adults, rather than in a k public school setting, but ESL is pretty much ESL, so it was useful.

I struggle to provide meaningful learning for all my students, and feel that's Present objects, saying the name of the object clearly.

Information well laid out with great ideas for activities for the practitioner. Each chapter is easy to read and understand, with great ideas for ice-breakers, conversation classes, lesson planning and classroom management.

Some of the lessons listed under the Assistant section can also be used for pri for July.
