Vitamin E is an important fat-soluble nutrient and antioxidant. The food of Burma is little known, but MiMi seeks to change that within these pages, revealing its secrets and providing context to each recipe with stories from her time in Burma and her family's heritage. However, its true impact on MS symptoms, as well as its proper dosage, must be studied further before it can be widely recommended for use by people with MS. JulieBartlettBruton.HerbalRemediesBooks.
