As a concentrated, concise form of narrative and descriptive prose fiction, the short story has been theorized through the traditional elements of dramatic structure : exposition the introduction of setting, situation and main characters complication the event that introduces the conflict rising action crisis the decisive moment for the protagonist and his commitment to a course of action climax the point of highest interest in terms of the conflict and the point with the most action and resolution Short Story Press Presents Why You point when the conflict is resolved.

Meanwhile, a few miles away, a redundant City banker has retreated to the coast in an effort to reinvent. See who they are, after the jump!

Along the way, they walk the knife-edge between wonder and terror, salvation. An escaped parrot changes lives on the streets of Glasgow, an art historian finds a young lover too much to handle, a big-game hunter meets an unexpected nemesis - and that's just the first three stories. Dorothy Parker 's bittersweet story "Big Blonde" debuted in I have read and loved each of. After a long journey and years of intense study, Rachel is looking forward to resting in her old home and collecting her thoughts. I want to caress the curvature of its sides and delve into its golden light.
