How does this one compare? I love Sophie Eastlake.

I can't wait to read Carolina Girl. Single dad and fishing boat captain Matt Fletcher deferred his own dreams to support his innkeeper parents and build a future for his sixteen-year-old son. Allison is a strong woman, and I love how she gives the space needed, and her enthusiasm. Even if the story was weak Sophie Eastlake would have made this enjoyable to listen to. The story flows easily with a richness of details. Moving on. The kids were well drawn and realistic, there was just enough of the Fletcher family to endear them to me, and Dare Island felt like a real place.
