A Circle can be a monthly roundtable at your home, a brown-bag lunch series at work, or even a virtual meet-up with people from around the world. The result showed that majority The list is not in any particular order.

The network champions women in business, as well as the companies they have founded. Some of the world's greatest innovators, entrepreneurs, and business researchers share their stories and insights from the stage at TED conferences, TEDx events and partner events around the world. The empirical evidence shows that these spaces promise a variety of benefits, ranging from business development to access to social networks. Additionally, women-operated firms report more positive growth experiences when their businesses are formally-registered.
