Harold W. Now it needs to be honestly said that this is not a scientific hypothesis. Craig has presented this evening, you can only be confident about them after you are dead. The complex order in the universe. I want to explore whether it is conceivable. The God problem is not unsolvable, but it is a problem. But when religion encourages people to believe that they speak for God, religion then becomes, in Richard Rorty's memorable phrase, a conversation stopper. This is clearly jaded and out of date. Big Scary Catastrophes Four. Praying would have no effect on the dice. Prayer and other religious incantations do not get the job done, and to think they do is to engage in superstition. Mary Shepard Wong.
