Seen from this angle green public procurement was regarded with a degree of suspicion. Past experience suggests that the framing and the application of the EU public procurement directives can have significant effects on the interpretation of the GPA. Attention is also given to emerging issues, especially those concerning environmental, social and SME policy; competition law; and the implications of the recent economic crisis. BlindSpot. Advanced Introductions. Thresholds To promote foreign companies entering the market, the Japanese government has also adopted lower thresholds that stipulated in the WTO GPA for certain categories. According to a footnote to this Art.
