People who prefer this approach to Druidry may find some aspects of the magical work in this book a poor fit with their beliefs. You can only dump so much pollution into the biosphere before it shows up in the food you eat, the water you drink, and the air you breathe.

The arrowhead shape marks the beginning of the line, which can be the edge of a fan. Kirstin marked it as to-read Dec 15, These limitations unfold from the principle of intentionality.

A good story with the means to be great! Heroes with fangs or fur, heroines who can singe your eyebrows off with a wicked fireball, and evil villains often bent on world domination are the markings of many paranormal romances, where the action is

often larger than life. This is the first full length novel in the Amber Druid series and is a perfect follow on from the first Novella Her Druid Temptation.
