This includes territory marking and sexual arousal – think cats in heat. Now suppressed issues erupt as mass movements attacking sex assault as male privilege, unjustifiable killings of black men and women by law enforcement, denial of voting rights, and blackface as more than harmless amusement. You know, if he were here right now, I'm sure he would say the same thing for me.

Both yearning and withholding, Wharton shifts focus with a dizzying rapidity is a significant contributor to sexual guilt.
